50 Mother's Day Gifts Under \$50 That Will Have Her Feeling Like a Queen

April 30, 2017 by [CELIA FERNANDEZ](#)

We all know that Latina moms love a great gift, but if you don't have that much moolah, there's no need to worry. We dug through the depths of the internet (so you don't have to) and rounded up 50 of our favorite fashion, beauty, and home buys all \$50 and under. Your mom will love all of the tokens ahead. They'll make her feel like the queen she is, without leaving your wallet totally empty. Keep scrolling to see what we picked.

Wine is always a great gift – always!
